2. Fund Selection for 401(k) Plan Assets

Tell us how your dollars should be allocated by fund. If rolling over to a new account, write "NEW" under the heading Account Number and return your IRA Rollover Form with a completed IRA Account Application.

If you write "NEW," you must include a completed IRA Account Application.

Investment Direction for your 401(k) Plan Assets. Choose either option A or option B below.

A. Fund Selection Option A

If you choose this option you must be working with a Homestead Funds representative on an asset allocation plan and have or will be receiving the Asset Allocation Questionnaire. This fund selection is not meant to be a long-term strategy. It is meant to be a holding place for your assets while your asset allocation plan is completed. Generally you would indicate your full dollar amount for investment or 100%

	Account Number Investment Allocation		llocation	
Daily Income Fund (168)		\$	or	%

B. Fund Selection Option B

This option is for shareholders who are making their own fund selection. By choosing this option, you acknowledge that you have not received any investment recommendations or advice from Homestead Funds or any of its representatives, and are making these fund selections purely on the basis of your own independent research and decision making process.
